East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.
THE numerous communications which have been
addressed to Captain Grindlay from all parts of
India, conveying the most flattering approbation of the
manner in which his duties to his constituents have
hitherto been performed, and the most cordial assur-
ances of support to the new Firm, commenced in
November, 1838, are felt by him to call for a public
expression of gratitude.

In thus offering his thanks for the extensive and
honorable patronage long afforded to the Establish-
ment under his sole management, and now so kindly
promised to the Firm of GRINDLAY, CHRISTIAN
AND MATTHEWS, he begs to assure his numerous
friends and well wishers, that the efforts of himself

and his partners will be unremittingly directed to
merit the continued confidence reposed in them by
the various branches of the Indian community, both
at home and abroad.

The high character attained by the Establishment
under his superintendence has been the result of many
years' perseverance.—Its pretensions were tested by
experience, and the value of the facilities which it
afforded for the dispatch of business, tried and vouch-
ed for by a large proportion of those whose engage-
ments led them to India. It is acknowledged with
pride, that success followed exertion, and the means
have thus been obtained of increasing the resources
of the Establishment and greatly enlarging the circle
of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN
AND MATTHEWS have only to remind their Sub-
scribers and the Public at large, that they continue to
transact every description of business connected with
India and the Colonies.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandize consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR
MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.
Serampore	Patoolee	
Chandernagore	Cutwah	The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Hooghly	Merai	
Noiserai	Berhampore	It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great encrease of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.
Digrah	Jeagunge	
Santipore	Bogwangolah	Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.
Naddea	Jungypore	
Cannah	Khamrah	

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11 a.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—
First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.
Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.
Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.
Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTICE.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of the Quantity to be exported from* each Agency, that is to say, one and the same Tender shall express the rate per 100 Maunds at which the Salt will be brought from the Central Cuttack Agency and the rate per 100 Maunds at which the Salt will be brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

* Note.—Parties are prohibited from tendering for different proportions from the two Agencies. That is, if they tender for $\frac{1}{3}$ of the Quantity from one, they must tender for the same proportion from the other.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own *bonafide* property at the time of tendering, a sufficient quantity of Tonnage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. ACT No. — of 1840.

For the better management of Boats and Catamarans in the Madras Roads, and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment;

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in any Boat or Catamaran to carry Passengers, Goods or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless he has received a Licence, and the Boat or Catamaran which he shall so use has been registered as hereinafter mentioned, and in case any person who has not received such Licence shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of Rupees 50 on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, it shall be lawful, and the said Master Attendant is hereby required, upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, as particularly as may be, to grant to such Owner a Licence so to use the same in which Licence (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such Licence shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, all of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his Licence before the said Master Attendant, and also deliver to him a written paper signed by

such Owner specifying his name, occupation and place of residence as particularly as may be, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and a new Licence of the registry of such Boat or Catamaran shall be granted by the said Master Attendant, and whenever the said Owner or Owners, or any of the persons employed to navigate any such Boat or Catamaran shall change their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and Licence. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their change of residence for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new Licence thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct Licence of the Registry of every such Boat previous to the registry of any Boat requiring such Licence, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and sea-worthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor Licence be granted, until every such defect in the admeasurement, sea-worthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

IV. And it is hereby enacted, that the said Owner or Owners of every such Boat shall forthwith paint in black English figures, not less than six inches in length upon a white ground, such white ground having a margin of at least three inches beyond the outermost part of the figures, in a conspicuous part of the bow on one side and of the quarter on the other, and in a legible and distinct manner from left to right, the number in such Registry and Licence mentioned, and if any person shall fraudulently paint or counterfeit or cause or permit to be painted or counterfeited upon any Boat, any figure not having been duly registered, every such person shall forfeit the sum of 100 Rupees, and every such Boat shall also be forfeited.

V. And for the better prevention of fraud or mission in the painting, the figures hereinafore provided to be painted on all Boats, as well as for the

better distinguishing and identifying such Boats and Catamarans as have been registered and licenced, it is hereby enacted, that so often as any Registry is made the said Master Attendant shall cause the number in the same to be cut or branded in the most common native characters, in some part or parts of every such Boat and Catamaran, and if the Owner or Owners of any such Boat shall neglect or refuse to keep painted, cut or branded any figure hereinbefore required to be painted, cut or branded, on any such Boat or Catamaran, in a fair and legible condition, or if he shall paint, cut or brand the same in a different manner or on a different part of such Boat than is hereinbefore provided, or shall wilfully erase, obliterate or in any way hide or conceal the same, or if the Owner of any such Boat or Catamaran shall knowingly permit any such act to be done, he shall forfeit a sum not exceeding 100 Rupees on conviction before a Justice of the Peace as that Justice shall direct, and if any person not being such Owner shall be guilty of or shall assist in any such incorrect painting, cutting, branding, erasure or concealment, he shall forfeit one moiety of the penalty in this article imposed.

VI. II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, it shall be lawful, and the said Master Attendant is hereby required, upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, as particularly as may be, to grant to such Owner a Licence so to use the same in which Licence (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such Licence shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, all of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his Licence before the said Master Attendant, and also deliver to him a written paper signed by

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great encrease of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

NOTICE.

Tenders for the conveyance of Salt from Cuttack to the Government Golahs at Sulkea.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of the Quantity to be exported from each Agency. that is to say, one and the same Tender shall express the rate per 100 Maunds at which the Salt will be brought from the Central Cuttack Agency and the rate per 100 Maunds at which the Salt will be brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

* Note.—Parties are prohibited from tendering for different proportions from the two Agencies. That is, if they tender for $\frac{1}{4}$ of the Quantity from one, they must tender for the same proportion from the other.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own *bonafide* property at the time of tendering, a sufficient quantity of Tonnage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. If tendering only

for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

By Order of the Board of Customs, Salt and Opium, the 12th June, 1840,

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHANCERY CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.
Messrs. LECKIE & Co. Bombay.
Messrs. FRITH & Co. Do.

Office of the East India Army Agency in London, 16, Cornhill, and East India Rooms, 8, St. Martin's Place, Charing Cross.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order ; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued ; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor ; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Arrangements have been made to insure as far as practicable, the safe and speedy passage of the Mails from Bussora to Beyroot, but it is essential that letters, both private and public, be made of small dimensions that the Mail may be light.

With reference to the above Notification, the Public are hereby informed, that the latest safe date for the transmission of Letters from this Presidency, which may be intended for despatch by the July Steamer, will be the 6th proximo. OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

Government Golahs at Sulha.

NOTICE is hereby given, that Tenders for the Trans-
portation of Salt from the Central and Southern
Agencies only to the Honorable Company's Golahs at
Sulha will be received by the respective Salt Agents, at
their Offices until noon of the 1st August next, after which
date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of the Quantity to be exported from* each Agency, that is to say, one and the same Tender shall express the rate per 100 Maunds at which the Salt will be brought from the Central Cuttack Agency and the rate per 100 Maunds at which the Salt will be brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

* Note.—Parties are prohibited from tendering for different proportions from the two Agencies. That is, if they tender for $\frac{1}{3}$ of the Quantity from one, they must tender for the same proportion from the other.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own *bonafide* property at the time of tendering, a sufficient quantity of Luggage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. If tendering only for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired.

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 19TH NOVEMBER, 1838.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR
MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

a. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignments and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so made thereon, including freight and other charges, or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor, and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.

Chandernagore	Cutwah	
Hooghly	Berhampore	
Joisera	Jehanagore	
Digra	Bogowangolah	The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Bantipore	Jungypore	
Juddea	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11 A. M.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTICE.

Tenders for the conveyance of Salt from Cuttack to the Government Golahs at Sulkea.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration

which varies at all from the form in question, or that does not Tender for the transport of at least one-third of

* Note.—Parties are prohibited from tendering for different proportions from the two Agencies. That is, if they tender for $\frac{1}{3}$ of the Quantity from one, they must tender for the same proportion from the other.

brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own bonafide property at the time of tendering, a sufficient quantity of Tonnage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. If tendering only for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired.

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 29TH JUNE, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 29th of June 1840, is hereby promulgated for general information.

ACT No. XIII. OF 1840.

An Act for the amendment of the Law regarding Factors, by extending to the territories of the East India Company, in cases governed by English law, the provisions of the Statute 4 Geo. IV. Ch. 83 as altered and amended by the Statute 6 Geo. IV. Ch. 94.

It is hereby enacted, that the Statute of the 4 Geo. IV. Cap. 83 as altered and amended by the Statute of 6 Geo. IV. Ch. 94, shall be extended to the territories of the East India Company; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statutes if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statutes hereby extended to the Territories of the East India Company are as follows.

4 GEO. IV. CAP. 83.

An Act for the better Protection of the Property of Merchants and others, who may hereafter enter into Contracts or Agreements in relation to Goods, Wares, or Merchandizes, entrusted to Factors or Agents. (18th July, 1823.)

"Whereas it has been found that the Law, as it now stands, relating to Goods shipped in the names of persons who are not the actual Proprietors thereof, and to the deposit or pledge of Goods, affords great facility to fraud, produces frequent litigation, and proves, in its effects, highly injurious to the interests of Commerce in general; Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, that from and after the passing of this

Act, any person or persons entrusted, for the purpose of sale, with any Goods, Wares, or Merchandize, and by whom such Goods, Wares, or Merchandize shall be shipped, in his, her or their own name or names, or in whose name or names any Goods, Wares, or Merchandize shall be shipped by other person or persons, shall be deemed and taken to be the true Owner or Owners thereof, so far as to entitle the Consignee or Consignees of such Goods, Wares, and Merchandize to a Lien thereon, in respect of any money or negotiable security or securities advanced or given by such Consignee or Consignees to or for the use of the person or persons in whose name or names such Goods,

Wares, or Merchandize shall be shipped, or in respect of any money or negotiable security or securities received by him, her or them to the use of such Consignee or Consignees, in the like manner to all intents and purposes as if such person or persons was or were the true Owner or Owners of such Goods, Wares and Merchandize; provided such Consignee or Consignees shall not have notice, by the Bill of Lading for the delivery of such Goods, Wares or Merchandize or otherwise, at or before the time of any advance of such money or negotiable security, or of such receipt of money or negotiable security in respect of which such lien is claimed, that such person or persons so shipping in his, her or their own name or names, or in whose name or names any Goods, Wares or Merchandize shall be shipped by any person or persons, is or are not the actual and bona fide Owner or Owners, Proprietor or Proprietors of such Goods, Wares and Merchandize so shipped as aforesaid, any law, usage or custom to the contrary thereof in any wise notwithstanding: Provided also, that the person or persons in whose name or names any such Goods, Wares or Merchandize are so shipped as aforesaid, shall be taken for the purposes of this Act to have been intrusted therewith, unless the contrary thereof shall appear or be shewn in evidence by any person disputing such fact.

Any person may take Goods or Bill of Lading in deposit from Consignee but shall not acquire any further right than Consignee possessed.

II. And be it further enacted, that it shall be lawful to and for any person or persons, body or bodies, politic or corporate, to accept and take any Goods, Wares or Merchandize, or the Bill or Bills of Lading for the delivery thereof, in deposit or pledge from any Consignee or Consignees thereof; but then and in that case such person or persons, body or bodies, politic or corporate, shall acquire no further or other right, title or interest, in or upon or to the said Goods, Wares or Merchandize, or any Bill of Lading for the delivery thereof than was possessed, or could or might have been enforced by the said Consignee or Consignees at the time of such deposit or pledge as a security as aforesaid: but such person or persons, body or bodies, politic or corporate, shall and may acquire, possess and enforce such right, title, or interest, as was possessed and might have been enforced, by such Consignee or Consignees at the time of such deposit or pledge as aforesaid, any rule of law, usage or custom to the contrary notwithstanding.

Right of Owner to follow his Goods while in the hands of his Agent or of his Assignees in case of Bankruptcy, or to recover them from Assignees, &c. upon paying his advances and interest thereon, &c.

III. Provided always, that nothing herein contained shall be deemed, construed, or taken to deprive or prevent the true Owner or Owners, Proprietor or Proprietors of such Goods, Wares or Merchandize, from demanding and recovering the same from

his, her, or their Factor or Factors, Agent or Agents, before the same shall have been so deposited or pledged or from the Assignee or Assignees of such Factor or Factors, Agent or Agents, in the event of his, her, or their Bankruptcy; nor to prevent any such Owner or Owners, Proprietor or Proprietors, from demanding or recovering of, and from any person or persons, or of or from the Assignees of any person or persons in case of his or her Bankruptcy, or of or from any body or bodies, politic or corporate, such Goods, Wares, or Merchandize so consigned, deposited, or pledged, upon repayment of the money or on restoration of the negotiable security or securities, or on payment of a sum of money equal to the amount of such security or securities, for which money or negotiable security or securities such person or persons, his, her, or their Assignee or Assignees, or such body or bodies, politic or corporate, may be entitled to any lien upon such Goods, Wares, or Merchandize, nor to prevent the said Owner or Owners, Proprietor or Proprietors, from recovering of and from such person or persons, body or bodies, politic or corporate, any balance or sum of money remaining in his, her, or their hands, as the produce of the sale of such Goods, Wares, or Merchandize, after deducting thereout the amount of the money or negotiable security or securities so advanced or given upon the security thereof as aforesaid. Provided always, that in case of the Bankruptcy of such Factor or Agent, the Owner of the Goods so pledged and redeemed as

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 29TH JUNE, 1840.

The following Act passed by the Right Honorable the Governor General of India in Council on the 29th of June 1840, is hereby promulgated for general information.

ACT No. XIV OF 1840.

An Act for rendering a written Memorandum necessary to the validity of certain promises and engagements by extending to the Territories of the East India Company, in cases governed by English Law the Provisions of the Statute 9, Geo. IV. Ch. XIV.

It is hereby enacted, that the Statute 9, Geo. IV. Ch. XIV. shall be extended to the Territories of the East India Company; provided always that this Act shall not be construed to affect any case, which, would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statute hereby extended to the Territories of the East India Company is as follows (the sum of £10 mentioned therein to be deemed 100 Rupees in the application of the Statute to the aforesaid Territories.)

9TH GEO. IV. CAP. XIV.

An Act for rendering a written Memorandum necessary to the validity of certain Promises and Engagements.

9th May, 1828.

Whereas by an Act English Act 21, Jas. 1 C. 16.

passed in England in the twenty-first year of the Reign of King James the First, it was, among other things, enacted, that all actions of account and upon the case, other than such accounts as concern the trade of merchandize between Merchant and Merchant, their Factors or Servants, all actions of debt grounded upon any lending or contract without specialty, and all actions of debt for arrearages of rent, should be commenced within three years after the end of the then present Session of Parliament, or within six years next after the cause of such actions or suit, and not after.

And whereas a similar Enactment is contained in an Act passed in Ireland in the tenth year of the reign of King Charles the First, and whereas various questions have arisen in actions founded on simple contract, as to the proof and effect of acknowledgments and promises offered in evidence for the purpose of taking cases out of the operation of the said Enactments; and it is expedient to prevent such questions and to make provision for giving effect to the said Enactments and to the intention thereof. Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority

In actions of debt or upon the case, no acknowledgment shall be deemed sufficient unless it be in writing, or by part payment.

That in actions of debt or upon the case grounded upon any simple contract no acknowledgment or promise by words only shall be deemed sufficient evidence of a new or continuing contract, whereby to take any case out of the operation of the said Enactments, or either of them, or to deprive any party of the benefit thereof, unless such acknowledgment or promise shall be made or contained by or in some writing to be signed by the party chargeable thereby, and that where there shall be two or more Joint

Joint Contractors.

Contractors, or Executors or Administrators of any contractor no such Joint Contractor, Executor, or Administrator shall lose the benefit of the said Enactments, or either of them, so as to be chargeable in respect or by reason only by any written acknowledgment or promise made and signed by any other or others of them. Provided always, that nothing herein contained shall alter or take away or lessen the effect of any payment of any principal or interest made by any person whatsoever.

Provido for the case of Joint Contractors.

Provided also, that in actions to be commenced against two or more such Joint Contractors, or Executors or Administrators, if it shall appear at the trial or otherwise that the Plaintiff, though barred by either of the said recited Acts or this Act, as to one or more of such Joint Contractors, or Executors or Administrators, shall nevertheless be entitled to recover against any other or others of the Defendants, by virtue of a new acknowledgment or promise, or otherwise, judgment may be given and costs allowed for the Plaintiff as to such Defendant or Defendants against whom he shall recover, and for the other Defendant or Defendants against the Plaintiff.

Pleas in Abatement.

And be it further enacted, that if any Defendant or Defendants in any action on any simple contract shall plead any matter in abatement, to the effect that any other person or persons ought to be jointly sued and issue be joined on such Plea, and it shall appear at the trial that the action could not, by reason of the said recited Acts, or this act, or of either of them, be maintained against the other person or persons named in such plea, or any of them, the issue joined on such plea shall be found against the party pleading the same.

Indorsements of Payment.

And be it further enacted, that no indorsement or Memorandum of any payment written or made after the time appointed for this Act to take effect, upon any Promissory Note, Bill of Exchange, or other writing by or on the behalf of the party to whom such payment shall be made, shall be deemed sufficient proof of such payment so as to take the case out of the operation of either of the said Statutes.

Simple Contract debts alleged by way of set off.

And be it further enacted, that the said recited Acts and this Act shall be deemed and taken to apply to the case of any debt on simple contract alleged by way of set off on the part of any Defendant, either by plea, notice, or otherwise.

Confirmation of promises made by Infants.

And be it further enacted, that no action shall be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or simple contract made during infancy, unless such promise or ratification shall be made by some writing signed by the party to be charged therewith.

Representations of Character.

And be it further enacted, that no action shall be brought whereby to charge any person upon or by reason of any representation or assurance made or given, concerning or relating to the character, conduct, credit, ability, trade or dealings of any other person, to the intent or purpose that such other person may obtain credit, money, or goods upon, unless such representation or assurance be made in writing, signed by the party to be charged therewith.

29. Car. 2, C. 3.

VII. And whereas by an Act passed in England in the twenty-ninth year of the reign of King Charles the Second, intituled An Act for the prevention of Frauds and Perjuries, it is, among other things enacted, that from and after the twenty-fourth day of June one thousand six hundred and seventy-seven, no contract for the sale of any goods, wares and merchandizes, for the price of ten pounds sterling or upwards, shall be allowed to be good except the buyer shall accept part of the goods so sold, and actually receive the same, or give something in earnest to bind the bargain, or in part of payment; or that some note or memorandum in writing of the said bargain be made and signed by the parties to be charged by such contract, or their Agents thereunto lawfully authorized. And whereas a similar Enactment is contained in an Act passed in Ireland in the seventh year of the reign of King William the Third. And whereas it has been held that the said recited Enactments do not extend to certain executory contracts for the sale of goods, which nevertheless are within the mischief thereby intended to be remedied; and it is expedient to extend the said Enactments to such executory contracts; be it enacted, that the said Enactments shall extend to all contracts for the sale of goods of the value of ten pounds sterling and upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

Irish Act 7. W. 3. C. 12.

Powers of recited Acts extended to Contracts for Goods of 10£ or upwards although the delivery be not made.

VIII. And be it further enacted, that no memorandum or other writing made necessary by this Act shall be deemed to be an agreement within the meaning of any Statute relating to the duties of Stamps.

trades or occupations injurious to the health or comfort of the community, and to prevent such construction of buildings and such disposal of combustible substances as may appear to him likely to occasion conflagration, and to cause the removal of buildings in such state of weakness, as by the probability of their falling may appear to him to expose individuals to danger.

IV. And it is hereby provided, that all the proceedings of Magistrates under the authority of this Act shall be subject to the like appeal as other orders of Magistrates according to the Regulations of the respective Presidencies.

THE 29TH JUNE, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 29th of June 1840, is hereby promulgated for general information.

ACT No. XIII. of 1840.

An Act for the amendment of the Law regarding Factors, by extending to the territories of the East India Company, in cases governed by English law, the provisions of the Statute 4 Geo. IV. Ch. 83 as altered and amended by the Statute 6 Geo. IV. Ch. 94.

It is hereby enacted, that the Statute of the 4 Geo. IV. Cap. 83 as altered and amended by the Statute of 6 Geo. IV. Ch. 94, shall be extended to the territories of the East India Company; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statutes if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statutes hereby extended to the Territories of the East India Company are as follows.

4 GEO. IV. CAP. 83.

An Act for the better Protection of the Property of Merchants and others, who may hereafter enter into Contracts or Agreements in relation to Goods, Wares, or Merchandizes, intrusted to Factors or Agents. (18th July, 1823.)

"Whereas it has been found that the Law, as it now stands, relating to Goods shipped in the names of persons who are not the actual Proprietors thereof, and to the deposit or pledge of Goods, affords great facility to fraud, produces frequent litigation, and proves, in its effects, highly injurious to the interests of Commerce in general; Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, that from and after the passing of this

Act, any person or persons intrusted, for the purpose of sale, with any Goods, Wares, or Merchandize, and by whom such Goods, Wares, or Merchandize shall be shipped, in his, her or their own name or names, or in whose name or names any Goods, Wares, or Merchandize shall be shipped by other person or persons, shall be deemed and taken to be the true Owner or Owners thereof, so far as to entitle the Consignee or Consignees of such Goods, Wares, and Merchandize to a lien thereon, in respect of any money or negotiable security or securities advanced or given by such Consignee or Consignees to or for the use of the person or persons in whose name or names such Goods,

Wares, or Merchandize shall be shipped, or in respect of any money or negotiable security or securities received by him, her or them to the use of such Consignee or Consignees, in the like manner to all intents and purposes as if such person or persons was or were the true Owner or Owners of such Goods, Wares and Merchandize; provided such Consignee or Consignees shall not have notice, by the Bill of Lading for the delivery of such Goods, Wares or Merchandize or otherwise, at or before the time of any advance of such money or negotiable security, or of such receipt of money or negotiable security in respect of which such lien is claimed, that such person or persons so shipping in his, her or their own name or names, or in whose name or names any Goods, Wares or Merchandize shall be shipped by any person for persons, is or are not the actual and bona fide Owner or Owners, Proprietor or Proprietors of such Goods, Wares and Merchandize so shipped as aforesaid, any law, usage or custom to the contrary thereof in any wise notwithstanding: Provided also, that the person or persons in whose name or names any such Goods, Wares or Merchandize are so shipped as aforesaid, shall be taken for the purposes of this Act to have been intrusted therewith, unless the contrary thereof shall appear or be shown in evidence by any person disputing such fact.

Wares, or Merchandize shall be shipped, or in respect of any money or negotiable security or securities received by him, her or them to the use of such Consignee or Consignees, in the like manner to all intents and purposes as if such person or persons was or were the true Owner or Owners of such Goods, Wares and Merchandize; provided such Consignee or Consignees shall not have notice, by the Bill of Lading for the delivery of such Goods, Wares or Merchandize or otherwise, at or before the time of any advance of such money or negotiable security, or of such receipt of money or negotiable security in respect of which such lien is claimed, that such person or persons so shipping in his, her or their own name or names, or in whose name or names any Goods, Wares or Merchandize shall be shipped by any person for persons, is or are not the actual and bona fide Owner or Owners, Proprietor or Proprietors of such Goods, Wares and Merchandize so shipped as aforesaid, any law, usage or custom to the contrary thereof in any wise notwithstanding: Provided also, that the person or persons in whose name or names any such Goods, Wares or Merchandize are so shipped as aforesaid, shall be taken for the purposes of this Act to have been intrusted therewith, unless the contrary thereof shall appear or be shown in evidence by any person disputing such fact.

Any person may take Goods or Bill of Lading in deposit from Consignee but shall not acquire any further right than Consignee possessed.

II. And be it further enacted, that it shall be lawful to and for any person or persons, body or bodies, politic or corporate, to accept and take any Goods, Wares or Merchandize, or the Bill or Bills of Lading for the delivery thereof, in deposit or pledge from any Consignee or Consignees thereof; but then and in that case such person or persons, body or bodies, politic or corporate, shall acquire no further or other right, title or interest, in or upon or to the said Goods, Wares or Merchandize, or any Bill of Lading for the delivery thereof than was possessed, or could or might have been enforced by the said Consignee or Consignees at the time of such deposit or pledge as a security as aforesaid: but such person or persons, body or bodies, politic or corporate, shall and may acquire, possess and enforce such right, title, or interest, as was possessed and might have been enforced, by such Consignee or Consignees at the time of such deposit or pledge as aforesaid, any rule of law, usage or custom to the contrary notwithstanding.

Right of Owner to follow his Goods while in the hands of his Agent or of his Assignees, in case of Bankruptcy, or to recover them from Assignments, &c. upon paying his advances secured upon them, &c.

III. Provided always, that nothing herein contained shall be deemed, construed, or taken to deprive or prevent the true Owner or Owners, Proprietor or Proprietors of such Goods, Wares or Merchandize, from demanding and recovering the same from

his, her, or their Factor or Factors, Agent or Agents, before the same shall have been so deposited or pledged or from the Assignee or Assignees of such Factor or Factors, Agent or Agents, in the event of his, her, or their Bankruptcy; nor to prevent any such Owner or Owners, Proprietor or Proprietors, from demanding or recovering of, and from any person or persons, or of or from the Assignees of any person or persons in case of his or her Bankruptcy, or of or from any body or bodies, politic or corporate, such Goods, Wares, or Merchandize so consigned, deposited, or pledged, upon repayment of the money or on restoration of the negotiable security or securities, or on payment of a sum of money equal to the amount of such security or securities, for which money or negotiable security or securities such person or persons, his, her, or their Assignee or Assignees, or such body or bodies, politic or corporate, may be entitled to any lien upon such Goods, Wares, or Merchandize, nor to prevent the said Owner or Owners, Proprietor or Proprietors, from recovering of and from such person or persons, body or bodies, politic or corporate, any balance or sum of money remaining in his, her, or their hands, as the produce of the sale of such Goods, Wares, or Merchandize, after deducting thereout the amount of the money or negotiable security or securities so advanced or given upon the security thereof as aforesaid. Provided always, that in case of the Bankruptcy of such Factor or Agent, the Owner of the Goods so pledged and redeemed as aforesaid, shall be held to have discharged *pro tanto* the debt due by him to the Bankrupt's estate.

Proviso as to Bankruptcy of Factor.
